The umpire will inform the pitcher's manager that the pitcher must be removed. - b) A substitute who is withdrawn may not re-enter the game.
- c) This provision does not apply to injury, illness or ejection of the designated hitter or the player, for whom he or she is batting, in which case the role of designated hitter must be terminated.

NOTE: If during a game either team is unable to place nine (9) players on the field due to ejection, injury or illness, the opposing manager shall select a player to re-enter the lineup. A player ejected from the game is not eligible for re-enter.

## 5. MANDATORY PLAYING TIME (Junior and Senior)

Every player on a team roster will participate in each game for a minimum of three (3) COMPLETED CONSECUTIVE innings.

## 8. MINIMUM NUMBER OF PLAYERS

A team CAN play a game with 8 players and the 9<sup>th</sup> batter is automatically out. If the 9<sup>th</sup> player arrives, he is put in the number 9 batting position. If the game can not start because of less than 8 players or continue because of less than 8 players, then the team with 7 or less players losses by default.

## 9. JUNIOR DIVISION

- e) If in the opinion of the Interlock coordinator, one team is refusing to make up a game, the coordinator can award a win by default to the team trying to make up the game.

## 11. TIE GAMES:

- a) If a game is tied after 7 inning, the game will continue until either the game is won or it becomes too dark to continue (Umpire's decision), in which case the game will end in a tie.

## 12. RULE INTERPRETATIONS

Any rule interpretations must go through your league's Umpire-In-Chief for clarification. If your league does not have an Umpire-In-Chief or the problem is still not solved, then YOU MUST go through District 3's umpire-in-chief for clarification. District 3's umpire-in-chief decision is final and binding.

**13. TIES**

Regular Season and Play-off TIES will be broken as follows:

- a) If two teams are tied, then the games between the two teams will determine the winner. If the games played between the two teams still results in a tie, then lowest runs against all teams, after four innings, will determine the winner.
- b) If three teams are tied:
  - If one team defeated the other 2 teams each time they played, they will advance, otherwise total runs for minus total runs against, after four innings, from games played between tied teams will determine the winner.
  - If teams are still tied, lowest runs against all teams, after four innings, will determine the winner
