Championship Game

Sunday June 20 06:00 PM 13 Odd Winner vs Even Winner

Championship game will be played at the diamond of the highest finish in the regular season.

Coin toss will determine the actual home team.

Play-off TIES will be broken as follows:

- a) If two teams are tied, then the game between the two teams will determine the winner. If the game played between the two teams ended in a tie, then lowest runs against all teams, after **five** innings, will determine the winner.
- b) If three teams are tied: If one team defeated the other 2 teams each time they played, they will advance, otherwise total runs for minus total runs against, after **five** innings, from games played between tied teams will determine the winner.
- c) If teams are still tied, lowest runs against all teams, after **five** innings, will determine the winner. If teams are still tied, highest runs for against all teams, after **five** innings, will determine the winner. If teams are still tied, then the name of the winning team will be drawn from a hat.
